

*Dear Pastor,*

Foster care ministry gives your people a wonderful opportunity to live out the gospel whether they are fostering, supporting foster or kinship families, loving on the kids through various ministries, or building relationships with the biological parents.

The work is hard, but beautiful.

If you already have a foster care ministry or if you want to find out new ways you can serve your community, you might just want to be a part of something new that is happening! God is stirring in the hearts of a few to begin a **Fostering Cobb Collective**, and we want your church represented at the table! Whether it is you, a Missions Pastor, Community Pastor or a Foster Care Ministry Team Leader, the voice of your church is valuable as we seek to surround all pieces of the foster care community - the children, the biological families, foster families, and Cobb DFCS - with encouragement, shared resources, and the love of Jesus.

I believe with my whole heart that Jesus is THE answer to the foster care crisis. As believers, seeking to make Jesus known, we are called to take Him into the broken places within our county. He is the only one that can fill the hearts of every one of us and the ones we serve! Come, hear what is already happening in Cobb, and discover all the ways to pray and be a part of what God is doing.

**The first Fostering Cobb Collective meeting will be held at North Metro Church on April 23, 2026 at 9 am.** Coffee and light pastries will be served.

**RSVP: Fostering Cobb Collective**
